

Perry Hall Area PreK and K Roundup Information

In the effort to support all our families affected by the changes in the elementary school boundaries below are the dates of both PreKindergarten and Kindergarten round-ups at the four schools affected by the opening of the new school. Please visit the attached link to see a map of the boundaries for each school as approved by our Board of Education on March 6, 2018. This new boundary is in place beginning in the 2018-2019 school year.

You can identify which school your child will attend by visiting [School Boundaries](#).
