

NON-INSTRUCTIONAL SERVICES: Planning

Land Use, Planning, and Zoning Activities

I. Policy Statement

- A. The Board of Education of Baltimore County (Board) recognizes that Baltimore County government and state land use, planning, and zoning activities have an impact on Baltimore County Public Schools (BCPS).
- B. The Board believes that collaborating with Baltimore County government and state of Maryland officials is essential so that land use, planning, and zoning activities do not adversely affect school operations and resource management.

II. Guidelines

- A. The Superintendent shall develop procedures that ensure BCPS' participation in land use, planning, and zoning activities that include:
 - 1. Providing to county and state officials accurate data and information regarding student enrollment projections, educational facility capacity and building use, and other pertinent information regarding the way in which BCPS utilizes Board-owned property to support the goals of the school system.
 - 2. Participating, as appropriate, in county and state land use planning activities that may have an impact on schools.

III. Implementation

The Board directs the Superintendent to implement this policy.
