Professional Learning

I. Policy Statement

The Board of Education of Baltimore County (Board) recognizes the importance of developing, maintaining, and enhancing the skills of all employees. The development and implementation of continuous professional learning opportunities enable all employees to contribute effectively to the Board's mission and goals.

II. Implementation

- A. The Superintendent shall establish mechanisms that provide professional learning opportunities that are relevant to the employee's assigned duties and, where appropriate, beyond those that may be attained through the performance of their assigned duties.
- B. The Board directs the Superintendent to implement this policy.
