RE: Award of Contract – Electrical Package for Addition
Woodlawn High School

On July 26, 2001, four (4) bids were received to provide the electrical package for the new addition at Woodlawn High School - Bid # 5-510-02. This project consists of providing all labor, equipment, materials, and services to install all electrical wiring, data, voice, and video cabling systems, sound systems, time and program systems, security systems, and fire detection and alarm systems. A summary of the bids received is attached. Based on the bids received, the Department of Physical Facilities recommends an award of contract to Action Electric, Inc., the lowest responsive bidder, in the amount of \$945,000.00 for the Base Bid and all Alternates.

At this time, we also request approval of a 10% Change Order Allocation in amount of \$94,500.00 to cover any unforeseen conditions and minor changes to the contract, to be authorized and approved by the Building Committee in accordance with Board Policy.

Funding for these projects is available in Capital Budget Project # 665 – Major Maintenance.
