**RE:** Change Order - Installation of Appliances  
Rosedale Center - High

The Department of Physical Facilities has contracted with A-L Abatement, Inc., under our Time and Materials Bid #3-343-00, to provide utility connections for a new stove, washer, dryer, refrigerator and installation of a sink at Rosedale Center – High. This project was informally bid with A-L Abatement, Inc. the low bidder for the price of \$14,800.00. Due to existing site conditions, it has become necessary to modify the original project plans to meet field conditions. These changes will require a change order placing the total value of this contract in an amount greater than \$15,000.00 thus requiring action by the Board of Education. At this time, the Department of Physical Facilities requests approval of a change order in the amount of \$1,950.00 to relocated the venting of the rangehood and dryer and to provide a manual disconnect switch for the new range.

Funding for this change order is available in the Operating Budget for the Office of Maintenance.
