RE: Award of Contract – Running Track Replacement
Catonsville High School

On October 9, 2001, two (2) bids were received for replacing the running track at Catonsville High School - Bid #5-524-02. This project consists of replacing the existing track surface and conversion to a metric based track. A summary of the bids received is attached. Based on the bids received, the Department of Physical Facilities recommends an award of contract to Melvin Benhoff Sons, Inc., the lowest responsive bidder, in the amount of \$250,602.91 for the Base Bid plus Alternates #2 and #3. The additional work covered by these alternates consists of constructing a new high jump area and the rehabilitation of the storm drain system that services the track area.

At this time, the Department of Physical Facilities also requests approval of a 10% Change Order Allocation in the amount of \$25,000.00 to cover any unforeseen conditions and minor changes to the contract, to be authorized and approved by the Building Committee in accordance with Board Policy.

Funding for this project is available from Capital Budget Project # 672 – Site Improvements.
