Middle Schools – Tier One & Two Dr. Penelope Martin-Knox
Tier Three - Dr. John Mayo

High Schools will be divided once the new assistant superintendent begins.

Students must be college or workforce ready.

Students must pass an AP exam with a three or better.

21st century students will have 10-14 jobs by the time they are 38.

Public Questions and/or Comments:

What will be done for the Tier Three Schools? Will they receive additional resources?

Will they be looking at high school scheduling of classes?

Will they be looking at a standard schedule for all high schools, since all of the high schools in our area run on a different type schedule?

We heard from each principal about their school.

- Chesapeake HS - Maria Lowery: Off to a great start. They have 327 9th graders this year.
- Sollers Point Tech. – Mike Weglein: 700 students. It is a half day magnet program. They work with their feeder schools.
- Sparrows Point HS – Sam Wynkoop: Team approach at SPHS.

Deep Creek MS – Dwan Pinamonti: Started a PBIS program. They have a Facebook page.

Presentation Period Ended 7:55 PM
